Royal Agricultural Society of NSW

Welcome from the President

The Sydney Royal Easter Show is a true celebration of the best that Australia has to offer, and we are delighted that you will be part of it. Our agricultural competitions sit proudly at the heart of everything we do, with our world class livestock shows continuing to draw national and international attention. Alongside our horse events, poultry, domestic animals, perishable cooking, arts and crafts, horticulture and woodchopping, these competitions make the Easter Show a vibrant, living showcase of Australian skill, passion and excellence to hundreds of thousands of visitors each year.

The Royal Agricultural Society of NSW (RAS) has a rich history dating back to 1822, built on a tradition of fostering and rewarding excellence in agriculture. While we honour that legacy, the RAS of today is forward looking and innovative. Each of our Committees and competition sections has a clear strategic plan in place, ensuring that we not only preserve what makes the Show extraordinary, but continually adapt – harnessing innovation and technology to enhance our competitions, benchmarking and judging processes.

Agriculture remains at the very core of our mission, with the RAS making significant contributions each year towards the growth and strength of our farming and food production sectors. Sydney Royal competitions are unique in the way they benchmark and celebrate excellence in Australian agriculture, shining a light on those who set new industry standards. Nearly 30,000 entries each year, spanning the food supply chain from paddock to plate, demonstrate the extraordinary diversity, innovation and dedication of our exhibitors.

The benefits of a win at Sydney Royal are truly enduring. A Sydney Royal award is a mark of distinction and a symbol of the highest standards of quality and excellence, it is something people are truly proud of. For some of our exhibitors, it also opens doors to valuable opportunities that elevate their profile, connects them with consumers, and creates lasting advantages for their businesses well into the future.

The cornerstone of our competitions are independent, knowledgeable and highly respected judges, alongside our expert stewards, Councillors and all of our officials. These people generously give their expertise and professionalism to ensure both integrity and excellence. To all our volunteers and to the outstanding and dedicated staff at the RAS whose efforts bring our Show to life, I extend my heartfelt thanks.

If you are not already a Member, I encourage you to join the RAS. Membership offers an even deeper connection to the Show and to this incredible community of people dedicated to honouring tradition while driving innovation.

On behalf of the RAS, I wish you the very best of luck. I eagerly look forward to seeing the strength of our agriculture, the diversity of our competitions and the skill and passion of our exhibitors on display. This year, I will also be delighted to welcome our major winners each afternoon in the President's Suite and congratulate them firsthand.

PRIZES AND GST

The Australian Taxation Office has deemed that GST is payable on prizes if an Exhibitor is registered for GST and enters an Exhibit as part of a business enterprise.

The information an Exhibitor provides on the Application for Entry determines whether GST is applicable.

Any prize stated in this Schedule does not include GST.

GST will not apply:

- if an Exhibitor enters an Exhibit as a hobby or private recreational pursuit; or
- if an Exhibitor enters an Exhibit as part of a business enterprise, the Exhibitor has an ABN, but the Exhibitor is NOT REGISTERED for GST.
- if an Exhibitor enters an Exhibit as part of a business enterprise the Exhibitor is not entitled to an ABN as the business or enterprise is not operating in Australia.

GST will apply:

- if an Exhibitor enters an Exhibit as part of a business enterprise, the Exhibitor has an ABN, and the Exhibitor is REGISTERED for GST.

Where GST applies, the RAS will pay the prize money quoted in this Schedule plus 10% GST. The RAS will issue a recipient created tax invoice.

WARNING: *The Exhibitor must complete the **Tax Details** on the Application for Entry. Failure to do so will result in the RAS deducting 47% of the successful Exhibitor's prize money as Pay As You Go Tax (PAYG). The RAS recommends that the Exhibitor seeks professional advice before completing the Tax Details.*

PAYMENT OF PRIZE MONEY

Prize money won during the Sydney Royal Easter Show will be paid by Electronic Funds Transfer (EFT) to the bank account nominated for the Exhibitor in the competition entry system (myRAS) at the time the RAS commences processing a payment. If the bank details are incomplete or incorrect, the RAS will attempt to contact the prize winners to confirm payment details.

The RAS seeks to finalise all prize money payments by the end of June. Queries regarding unpaid prize money can be addressed to the Service Centre by email at competitions@rasnsw.com.au.

Any prize money left unclaimed for a period in excess of six months, is deemed forfeited by the Exhibitor.

CONDITIONS OF ENTRY

Exhibitors are bound by the following:

- Conditions of Entry to Sydney Showground.
- RAS General Regulations.
- District Exhibit Special Regulations.

CONDITIONS OF ENTRY TO SYDNEY SHOWGROUND

All Persons entering Sydney Showground are subject to the Conditions of Entry to Sydney Showground located at www.rasnsw.com.au

SUPPORTER PRIZES

Prizes are provided by third parties and the RAS advises that any such prizes may be subject to change or amendment occurring at any time, thereby making the original information published incorrect.

WORKING WITH CHILDREN

Exhibitors must comply with all applicable Working with Children Legislation.

Exhibitors over the age of 18 years, who are involved in a child-related role or have direct unsupervised contact with children, must produce evidence of Working with Children Checks to the Royal Agricultural Society of NSW, at least one (1) month prior to Competition.

SHOW DATES FOR THE NEXT THREE YEARS

2027 - 19 March to 30 March

2028 - 7 April to 18 April

2029 - 23 March to 3 April

WORKPLACE SURVEILLANCE ACT

The RAS operates surveillance cameras from Sydney Showground Security and these are located in and around facilities requiring security monitoring for the safety or security of individuals or property. The RAS also has access to Sydney Olympic Park security cameras and vice versa. Please note that security camera monitoring is continuous and ongoing and it is deemed that a person, by entering the Showground, consents to this photographing, filming or taping. The RAS strictly complies with the Workplace Surveillance Act 2005 (NSW).

DISTRICT EXHIBIT SPECIAL REGULATIONS

The RAS General Regulations apply to all Sections of the Show. These District Exhibit Special Regulations apply to this Section only. If there is any inconsistency between the General Regulations and these District Exhibit Special Regulations, the Special District Exhibit Regulations prevail. Copies of all Regulations are available from the Administration office at the Showground. General Regulations are also available at: www.rasnsw.com.au.

PRIZES AND TROPHIES

- Prize money will be provided by the RAS in accordance with the number of districts competing on the following basis:

1 Districts	\$1400
2 Districts	\$1600
3 Districts	\$1800
4 Districts	\$2000

Such prize money will be divided in proportion to the points gained by each district.

- Any collection securing less than 70% of the net maximum number of points will not be entitled to an Award.

CERTIFICATE OF MERIT

16. On the recommendation of an Organiser of a District Committee, the RAS may award a Certificate of Merit to a Person who has contributed material of special merit for exhibition in the District Court. The number of such certificates shall be limited to 75 to any court.

GENERAL

17. The Pavilion shall be open to the Public on completion of judging and thereafter daily from 9am to 7pm (long weekends 9am - 7.30pm).
18. The dismantling of Exhibits must not commence before 7pm on Monday 13 April 2026.
19. (a) Produce from a display that perishes during the Show must be replaced with the same or similar produce (where possible) to ensure that the visual appeal of the display remains the same as when it was judged.
- (b) No produce that forms part of the display is to be sold throughout the Show.
- (c) Courts are permitted to sell fresh fruit and vegetable produce from in front of their display only, for the duration of the Show. Any other products that the Courts wish to sell must be requested in writing and have prior approval from the Agriculture Committee.
- (d) Court Representatives must ensure that the produce is fit for the purpose of consuming at time of sale. Should the produce be deemed unfit for consumption, the Court will not be permitted to sell that item. Labelling must comply with current Government legislation.

DISTRICT COURTS

20. The District Exhibit Competition made its first appearance as a formal Competition recorded in the Catalogue, in 1900. It was then called the District Societies Competition. The idea originated, however, in 1876 when the RAS Council resolved to set apart three Courts in the Exhibition at Prince Alfred Park for the joint exhibits from country societies in the principal divisions of the colony.
- The number of participating Courts and the points total they vie for may have varied over the years but the effort which successive generations must put into the displays has not.
- For the purpose of this Competition the State of New South Wales is nominally divided into four districts. See map showing

District Boundaries in this Schedule. Exhibits from districts in other States are eligible to compete, by invitation of the RAS.

Each Exhibit of produce and display is presented by a District Exhibit Organising Committee also known as a District Court. The District Courts determine which produce from their region comes forward for judging in the District Exhibits Competition.

21. Each District Court must be in charge of a responsible member or nominee of the organisations exhibiting same, to be called the Organiser or Manager, who will have to arrange and display the Exhibit to the best advantage.
22. The Organisers must send plans to the Agriculture Events Manager, of the RAS for approval or otherwise, for the purpose of any alterations or rearrangements to the existing Courts by 21 November 2025, otherwise the Organisers must use the stands in their Courts as used by them for the last Show. The approved alterations or rearrangements are to be carried out by the RAS.

Note: District Exhibit Organising Committees are advised that in addition to the provision of Special Regulation 22, should there be any other expense associated with construction or display work which may be borne by the RAS, such must be first approved in writing by the RAS before the work is executed and expenditure is incurred.

PARTICIPATION ALLOWANCES

23. Participation Allowances (in addition to Prize Money) will be paid to each competing District.

FINANCIAL STATEMENT, STATEMENT OF RECEIPTS AND EXPENDITURE

24. The RAS must be supplied with a financial statement in a form prescribed by the RAS and a statement of receipts and expenditure from each District Exhibit Organising Committee not later than 31 October each year.

FREIGHT CONDITIONS

25. Each District shall be responsible for payment of freight on Exhibits notwithstanding the manner in which such Exhibits are forwarded.

BONA FIDE

26. All Exhibits must be the bona fide production of the District exhibiting same. Must be capable of being grown in the area, be generally available but not necessarily commercial. Any District committing a breach of this Regulation will be liable to disqualification.
27. All Exhibits, excluding Wine, must have been produced between 1 January 2025 and 1 March 2026. Wine and Olive Oil bottled and available for commercial sale between 1 January 2025 and 1 March 2026.
28. No produce of any Government Institution may be included in any Exhibit except in the case of Cheese produced at a registered Dairy Produce Factory in any Government Institution unless prior approval from the RAS' Agriculture Committee is given.

DISPLAY CONSTRUCTION

29. General display must be based on the use of produce of an agricultural or pastoral nature produced in the area. The area of any landscape type of painting or paintings depicting rural scenes and/or other decorative features or non-agricultural or non-pastoral produce totals, in the opinion of the Judge, not more than 5 square metres. Points will be deducted for the use of artificial decorative material in excess of the foregoing limit. This does not include sides of stand. Any produce displayed on the front of the stand must not protrude more than 300mm from the basic front. **Any produce displayed on the stand MUST be Australian grown and produced.**
30. A clearly identifiable amount of produce from each section exhibited in the Competition must be staged.
31. a) No District Exhibit shall incorporate designs attached to the vertical face of the pelmet area above the display deck.

b) Any structure on the display deck must not significantly block vision of signage on the pelmet above the display deck, particularly when viewed from the front fence area.

c) Any structure on the display deck must not adversely obstruct viewing of adjoining Exhibits, particularly when viewed from the front fence area, in the opinion of the Chief Steward.

d) The entire deck area should be utilised in one way or another. That is, the use of taller elements on the deck that obstruct the viewing of large areas behind, resulting in noticeably reducing the square meterage of the deck, may result in the deduction of points.

e) Display construction to cease at 11pm the night prior to display judging.

f) The front wall must not be incorporated into the design or display. Display elements must finish at the front edge of the deck. Front wall will be not judged.

g) The area of any landscape type of painting or paintings depicting rural scenes and/or other decorative features or non-agricultural or non-pastoral produce totals, in the opinion of the Judges, not more than 5 square metres.

32. Points will be deducted for the use of artificial decorative material in excess of the foregoing limit. This does not include sides of stand.

TIME OF JUDGING

33. The time and place of judging (and sampling in the case of Wheat, Oats, Barley, Rye, Durum Wheat, Triticale and Oil Seed Crops) will be as set out herein. Refer to the General Regulations.

CONDITIONS OF JUDGING

34. The Competition will be decided on the total points gained by the Exhibits submitted for judging out of the net total of 10215 after eliminations.
35. The number of Exhibits of each of the commodities to be submitted for judging in each section (numbered 1-12 and/or subsection) is listed in the Schedule.
36. Nil points will be awarded in the case of each and every Exhibit not submitted for judging as required, unless eliminated.
37. All agricultural products must be identified for judging, but no Award points will apply.
38. In order to ensure a balance between districts because of varying climatic conditions, each district shall eliminate from the Schedule of Exhibits set down in Sections 1-12, sections, sub-sections, commodities or Exhibits aggregating a total value of 1500 points, all such eliminations being subject to the approval of the RAS' Agriculture Section Committee.
39. Lists of the Exhibits selected for elimination are to be ready for collection by 8:15am each judging day.
40. (a) Where due to action of any public authority or transport failure, a District Court is unable to show an Exhibit after eliminations have been accepted, then the RAS may award to that Court points for such Exhibit which will be the average of the points (excluding elimination points) awarded for the same Exhibit as submitted for judging by the remaining Courts in that year of judging.
- (b) Exhibits not submitted for judging (including eliminations and non-entries) will be excluded from the average calculation of points referred to in paragraph (a).
- (c) Written proof of the action or transport failure, referred to in paragraph (a), must be submitted to the RAS immediately following the Court's knowledge of such occurrence.

WINE, CHEESE AND OLIVE OIL SECTIONS

41. To be shown in labels provided by the RAS for judging. Judged produce may be displayed in the design with commercial labels for display purposes only.

Random catalogue numbers will be provided by the RAS. All Wine, Olive Oil, Olives and Olive Products must have been bottled for marketing in accordance with Special Regulation 27.

Wine judging will be conducted in accordance with ASVO (Australian Society of Viticulture & Oenology) Wine Show best practice recommendations.

HAMS & BACONS

42. Visible commercial labelling is not permitted.

HONEY

43. All Exhibits are to be delivered to a centralised judging table. Exhibits to be shown in labels applied only to lids provided by the RAS for judging. Judged produce may be displayed in the design with commercial labels for display purposes only.

JUDGES

44. Except where otherwise provided the Judge of a commodity shall award points for each Exhibit based on a maximum of 100 points for each Exhibit. In the case of Exhibits of a perishable nature, the Judge shall make allowance for distance of travel when allocating points.
45. A Judge in any section may withhold his Award until such time as they are satisfied that the Exhibit is in accordance with the conditions.
46. No Exhibitor or Person representing a District shall address any Judge while the latter is judging. All explanations must be supplied to the Stewards in every case. No Steward shall consult with the Judge or offer any advice or suggestion in respect to the number of points to be allotted in any case.
- During judging no Person shall be admitted to the Courts except the Judges and Stewards. A Delegate or Delegates appointed by the District may be called on to explain any details which may be considered necessary by the Stewards.
47. Any Exhibit which does not conform to required specifications or size or does not conform with the Definitions in the Schedule of Prizes shall be brought to the attention of the Court Manager and the Steward-in-Chief.
48. A Judge may seek from the Steward-in-Chief any ruling or interpretation of the conditions required.
49. In respect of any appeal or protest the matter shall be dealt with in accordance with the provisions set down in Special Regulation 56 & 57 of this Schedule.
50. A District Court Organiser (Representative) may seek a ruling or interpretation of the conditions through the Steward from the Steward-in-Chief and shall have the right to appeal thereon to the RAS' Agriculture Section Committee.
51. The Judge shall be requested to return to the Courts for the purpose of discussing with the District Court Officials the merits and/or demerits of the Court. In this connection, suitable and definite appointments shall be made by the Steward-in-Chief and such times entered in an appointment book on the day of judging.

SCALING OF POINTS

52. The Steward-in-Chief reserves the right to scale the judging points when applicable to bring them in line with the District Exhibits standard.

DECLARATION OF RESULTS

53. The Awards so made shall be handed by the respective Stewards to the Steward-in-Chief who will arrange for the aggregate points so allocated to be converted pro-rata to the appropriate points to two decimal places in relation to the maximum set down for the commodity in the Schedule.

54. For the purpose of the District Exhibit Competition the decision of the Judges will be deemed to have been made when the final points become available from the Agriculture Committee.
55. The District Exhibits Competition Awards will be declared after the time for lodging of the protests has expired.

PROTESTS

56. The RAS empowers the Agriculture Section Committee to adjudicate on any matter not otherwise specifically provided for in the Regulations.
57. Any protest must be raised within 24 hours of those results being issued to the Courts for each day of judging except on the final day of judging, first day of Show, the competitions protest period will be 4 hours.

Any matter that requires further investigation other than a general discussion will be required to comply with the RAS terms of protest which are:

A protest must:

- (a) be in writing on the required RAS form (copies are kept with the Agriculture Events Manager);
- (b) set out the circumstances relied upon;
- (c) be accompanied by a \$100.00 fee;
- (d) be lodged with the Agriculture Event Manager within the time frame specified above.

Any matter not raised within the specified time period above will be deemed that results be accepted and official results will be declared. In the case of protest, upon resolution of the protest, official results will be declared.

SPECIAL DISPLAYS AND/OR COMPETITIONS

58. In order to provide an independent educational display of Exhibits from the District Exhibit Competition the RAS shall have the right to retain for the duration of the Show such Exhibits as may have been selected by the Judges for the purpose and also to conduct a further Competition as may be decided by the RAS in such display.
59. Exhibitors are required to supply judged Exhibits for display in the RAS Centre for Agricultural Excellence.

DEFINITIONS

60. The following definitions apply in the conditions set out in the scale of judging points:
- STOCK FODDERS AND PASTURE GRASSES
Sheaf or bundle - A sheaf or bundle will comprise only the commodity to be judged, firmly tied, and will be not less than 250mm and not more than 375mm in circumference at a tie situated approximately 100mm from the base. In the case of Rice, sheaves will be 150mm in diameter.
Cured - Must be able to be stored for at least twelve months.
 - JAMS
Colour - Good colour, authentic, resembling fruit used. Dark colouring may be the result of caramelisation.
Aroma - Should resemble the natural fruit with a slight sweetness, overly sweet bouquet indicates the use of too much sugar. Metallic aroma may indicate reaction to cooking in an aluminium pan.
Consistency - Good set, syrup should bind the fruit pieces. Light set or runny consistency indicates a lack of naturally occurring pectin in fruit used, e.g. berries, melons etc. May also indicate a lack of sugar or acid. Stiff consistency may be the result of overcooking.
Appearance - Small, even pieces of fruit evenly distributed throughout the syrup. Fruit should not rise to the top. Clear syrup, not cloudy.

Also, the surface of jam should be free of froth or bubbles. No evidence of moulds or fermentation, indicating lack of sterilization, inadequate sealing, covering when warm or insufficient cooking. No evidence of crystallisation.

- CONSERVES

By definition, large or whole pieces of fruit evenly suspended in a syrup. The fruit should retain its shape, and not cooked to a pulp as for jams. The syrup should lightly bind the fruit and the ratio of fruit should be greater than the syrup. Conserves are generally sweeter than jams because of a higher ratio of sugar.

Other quality points for Jams apply to Conserves

- MARMALADES

Appearance - Thin slices of fruit, shreds or julienne of citrus rind evenly suspended throughout the syrup. Fruit and rind should be consistent in size and shape, whether thin slices or chunky cut. The syrup or gel should be clear and not cloudy.

Colour - Type of marmalade varies. Colour ranges from light to dark depending on the type and mix of citrus fruits, length of cooking and amount of sugar used.

Consistency - Syrup or Jelly should be a firm set, but neither tough nor runny. Sometimes marmalades with julienne citrus rind have a soft gel which is often due to the lack of pectin (present in the rind and pith). Granular texture may indicate a lack of pectin or ripe fruits.

Other quality points for Jams apply to Marmalades.

- JELLIES

Colour - Should be a rich and well developed but not darkened as this indicates overcooking. Jelly should be transparent and clear, and not cloudy, when held to the light. Good visibility even with darker fruit, e.g. grape or plum.

Consistency - Should be firm. The edges of the jelly should retain their shape when cut with a spoon, holding for several minutes. No evidence of 'weeping'. Rubbery texture indicates inadequate sugar.

Failure to set indicates imbalance of pectin, acid and sugar. If syrupy, a result of not cooking long enough after sugar is added. *Other quality points for Jams apply to Jellies.*

- EXTRACTED HONEY (LIQUID) AND HONEY (CREAMED)

Standard round clear glass honey jar. Volume 375ml with a white plastic or metal 63mm lid.

INDEMNITY

61. This Special Regulation replaces General Regulation 173. The District Court's indemnity contained in General Regulation 173 (c) shall be reduced proportionately to the extent that any negligent act or omission of RAS may have contributed to the loss, damage, death or injury; the District Courts agree to Public and Product Liability insurance to cover the actions and omission of their workers and volunteers. To cover personal injuries of volunteers, District Courts agree to have Voluntary Workers Personal Accident insurance. In addition, the RAS extends its Voluntary Workers Personal Accident insurance to cover District Court Volunteers whilst on Sydney Showground during the Easter Show Period of 38 days (being 18 days for bump-in, 12 days of the Event and 8 days for bump-out).

MEDIA COVERAGE

62. The aim of the RAS and within the RAS Media Centre is to maximize positive coverage of the Exhibits and the hard work of the people behind them.

Exhibitors are required to forward any requests by media directly to the RAS Media Centre or to the Agriculture Events Manager.

SPECIAL WOOL DISPLAY

For Wool Competition and Centre for Agricultural Excellence Display see Special Regulations.

13. EFFECTIVE DISPLAY AND GENERAL PRESENTATION (1500)**GUIDELINES FOR DISTRICT COURT DESIGNERS**

Without wishing to constrain the creativity of District Court designers in any way, the Agriculture Committee would like to provide the following broad guidelines to assist the District Exhibits in relating the wonderful story that is modern Australian agriculture and rural life:

Remember that your primary audience are city people, who may have little or even no knowledge of agriculture and rural life. Therefore, please try to create designs that provide clear, positive, easily understood messages that reinforce the overall objective of the RAS of NSW, which is to portray Australian agriculture in the best possible light at all times.

Try to keep a focus on modern agriculture, unless the design has an overall historical theme.

SUB SECTIONS**Max. Points****Theme**

100

Considers the contribution to agriculture/society.

(The communication of the chosen theme and the originality of theme concept.)

Theme Development

100

Considers the effectiveness of the theme in the completed display.

(Has the theme been developed and does the design work with it. Is it legible and easily understood?)

Design

300

Considers the originality, quality and innovation of the design concept.

(Is there clarity of intent and cohesion within the concept? Is the design appropriate as a produce display? Is it compatible with the theme?)

Design Development

300

Considers the use of design tools.

(Looking at colour, contrasts, tone, light, perspective, space, proportion, texture and focal point/wow factor. How has the design been developed to suit the location and viewpoints in the Dome? How has the design been developed to be created from produce?)

Staging

250

Considers how the design translates onto the stage.

(Looking at elements such as the utilization of the entire deck, the quantity of produce, the quantity of artificial product, the diversity of the produce displayed, the use of lighting and highlights and the construction elements. Is there attention to details?)

Workmanship

250

Considers the installation, production and workmanship.

(Elements such as neatness, skill in arranging produce, the professionalism of lettering, construction materials being covered/ not obvious, patching joints in panels and the skill of seedwork or woolwork techniques used.)

Appeal

200-1500-1500

Considers the general viewer engagement

(This should work on multiple levels. There should be immediate appeal, as well as a deeper and more intelligent engagement for those that want to look closer.)

CHECKING OF DISPLAY

All Exhibits must be staged and clearly defined except as otherwise stated in the Schedule.

Two Councillor Stewards will check that the required number of Exhibits are being displayed

PERPETUAL TROPHIES

The purpose of competition at the Sydney Royal Easter Show is to encourage agricultural and pastoral excellence, ensuring the continual improvement of standards. In the 1870s the Society introduced Regulations to govern judges and judging to ensure that competition was consistent and fair, and the tradition of Perpetual Trophies dates back to this time.

The Perpetual Trophies are the most prestigious of all RAS Awards. They have a dual function in recognising superior effort in competition and commemorating people and organisations that have had a long and meritorious connection with the Society. Some of the trophies currently competed for were first won in 1911. Winners of Perpetual Trophies are permanently honoured, taking their place alongside past winners and becoming part of the ongoing tradition of the RAS.

The Perpetual Trophy Collection of the RAS is unique. It comprises a wide range of beautiful and elegant trophies that illustrate an extraordinary history of agricultural judging and the pursuit of excellence.

Enquiries regarding the donation of Perpetual Trophies should be directed to the RAS Heritage Centre.

SPONSORSHIP OPPORTUNITIES AVAILABLE

The Sydney Royal Easter Show's rich heritage and remarkable scale have made it a trusted and powerful marketing channel for many of Australia's biggest, best-known, and loved brands. Recognising that every brand is unique, we offer a wide range of partnership opportunities, tailored to suit your objectives, audience, and budget.

The Show allows sponsors to generate brand awareness, showcase products and services, connect with the community, create a database, engage with consumers face-to-face, provide sampling opportunities and generate immediate sales.

Sponsorship opportunities can include:

- Naming rights of a competition, activation, pavilion, or entertainment act.
- Advertising in ENGIE stadium and through our Digital assets.
- Activations and exhibition space.
- Category and supply rights.
- Consumer promotions such as ticket giveaways and 'money can't buy' experiences.
